1st: Ted Athanas

2nd: Sheldon Gardner

Motion to abstain from the Treasurers Report

1st Ted Athanas

2nd Sheldon Gardner

Secretaries Report

On February 22, 2017 the electrical league of Ohio will be putting on a 2017 national electrical code updates. It will be held at the Holiday Inn Cleveland South at 6001 Rockside Rd., Independence, OH. The cost is \$80 which includes the code conference, tabletop viewing, and a meal. It will be an extra \$25 to the attendance fee for certificates for the OCI LB. They will have 2017 codebooks available for \$95. Anyone interested in attending can get a hold of Terri Hanna Whiene at 440-333-5040.

We had an Ohio chapter meeting in Columbus on Friday, January 27 and it was attended by myself, Jerry Gerber, and Jeff Grassi. The topic of discussion was the 90th annual Ohio chapter educational conference and tradeshow, to be held at the Millennium Hotel in Cincinnati Ohio on May 1-3, 2017. The secretary of the Ohio chapter had a problem with the mailings this year so I sent out Saturday, February 11, 2017 all the forms for this

conference as well as all the forms for the scholarship program. There should be some program and scholarship forms at the back table for those who need them.

Preregistration is \$150 with a companion program of \$50 in late registration will be \$175. This year education will feature changes in the NEC as well as expanded educational opportunities with new credited technical and industry presentations. The room rates for standard room is 109 per night that's plus applicable taxes and fees parking will be \$10-\$15 a day. Please make reservations before April 14, 2017 and make sure you refer to the international Association of electrical inspectors to get the room discount. The Millennium Hotel in Cincinnati is at 150 W. 5th St., Cincinnati, OH 45202. Phone number to call the hotel is area code 513-352-2100 or 800-876-2100.

The conference includes a flexible program that'll meet your busy schedule and educational needs. You choose which technical sessions in which days to attend while earning valuable CE hours for IAEE, BBS, OCEI, and ICC. The program includes scheduled time to interact with trade show vendors so that you can experience and see new and emerging technologies first hand.

Good of the Order

*Sheldon Gardner and Jerry Gerber gave a history
About Bill Brendza to the attendees. Very informative
And a moment of silence was observed in Bill's memory.*

New Business

Joe Cenzori discussed some items to look for in your plan reviews on Solar Photo Systems.

Old Business

None

Education for this Meeting

*Second in the Series Video
Photo Photo Voltaic
Point of Connection to the Utility Power*

Meeting Adjourned at 9:00 PM
