## **Secretaries Report**

I would like to thank Jack Bene', Robert Sullivan and Kevin Kobunski for their last two months of participation with our educational program. At our September meeting Jack Bene' started off the program with the introduction to the surge suppression equipment that we were going to witness at Erico surge suppression lab at our October meeting. We had a very good turnout and the program was outstanding.

All of the Western Reserve Division's code classes for the 2014 fiscal year have been approved by the board of building standards. Approved were one 30 our class, two 20 hour classes, one being our monthly meetings, the other four 5 hour classes. Also approved is a 30 hour course, and a three-hour article 250 class.

The Western Reserve division will be holding 2011 code classes at the Oakwood community center 23035 Broadway Ave., Oakwood Village Ohio starting Saturday, November 30 from 9 AM to 2 PM and Saturday December 7, 14 and 21st 9 AM to 2 PM. Cost for these classes will be \$60 for each five hours section or \$180 for all four. A student can take any of the sessions if they need 10 hours. Certifications for these classes are for Contractors, ESI, RBO,EPE,MPE,CBO. Will looking for someone to donate coffee and donuts for these classes, and I need a small committee to handle of checking in all attendees on the days of these classes and handling all certificates. Also to help out with setting up and tearing down the equipment for each class. Contact Davey Hopson and Mark ROM if you can assist. Any Western Reserve division member who can find time to attend these classes, please do so, any and all contributions to our educational fund would be greatly appreciated.

When more funds become available in our educational fund I will be purchasing material to put together a 30 hour NFPA 72 course. I will also put together a five hour NFPA 72 update class.
