Motion to accept the October minutes as emailed:

1st: Ted Athanas
2nd: Sheldon Gardner

Motion to accept the Treasurers Report

1st Ted Athanas
2nd Sheldon Gardner

Secretaries Report

I would like to thank CEI Metering Supervisor
Tim Riedhaler

For presenting the course on “Metering Fundamentals & Tampering”. I got numerous emails praising Tim’s experience and knowledge, and forgiving a very informative presentation. Tim was a field meterman at CEI and is currently a meter supervisor at CEI focusing on employee field training.

All Western Reserve Division Code Classes have been approved by the BBS for the 2017 Fiscal Year.

On October 14 we had an Ohio chapter meeting at the board of building standard facility in Reynoldsburg Ohio.
Pres. Katie Robinson gave us an update on the Southwest division’s efforts to combat the OBOA organizations efforts on incidental inspections. They are proposing non ESI personnel to inspect minor electrical installations. Ohio administrative code 3783 prohibits such actions. Some members from

the Southwest division got into some heated discussions with board members.

Katie decided to bring these efforts to the Ohio chapter level. She started a legislative watch committee appointing Zachary Jenkins as the chairperson. She hoped the new face would help in our endeavors with the board. The scope of the committee is:

- 1) watch for any proposed changes in the Ohio administrative code 3783
- 2) watch for any proposed changes in ESI rules that may be in conflict with the law
- 3) notify and communicate with the Ohio chapter board members any proposed change and formulate a course of action to combat any such changes

On Saturday, October 15 Zach Jenkins emailed me asking that I assist him on his committee. I accepted his offer.

It's that time a year again nomination of executive board members. The Slate of Officers as presented and to be voted on at the December meeting will be:

President	Jeff Grassi
First Vice President	Sheldon Gardner
Second Vice President	Tex Combes
Inspector Member	Allen Morinec
Inspector Member	Bill Buetler
Don Bockrath	Associate member
Jerry Gerber	Associate Member
Joe Cenzori	Secretary / Treasurer
Junior Past President	Mark Rom

If there are any candidates from the floor they are to be submitted in writing to the Sec. within two weeks of the December meeting.

The Western Reserve division will be hosting two 5 hour classes on two consecutive Saturdays in December. The dates are December 10 and the 17th classes will start at 9 AM and finish at 2 p.m. each class is five hours in length and you get five credits per class cost is \$130 for both Saturdays or \$65 for one Saturday students who attend both Saturdays will receive a digital multimeter. The course is approved for contractors OCI LB,

ESI,BO,RBO,EPE,MPE and Professional Engineers. We need contractor members to volunteer get the word out about this class please contact Mark ROM as soon as possible so we get flyers to you. As you know holding classes toward the end of the year usually brings those folks who wait to the last minute to renew their license or certifications. We would like to have a nice size turnout for this and all the proceeds go to the Western Reserve division educational fund.
