The annual installation of Officers commenced, the honorable Mayor Kathy Mulcahy from Orange Village presiding.

Following the swearing in of Officers the first order for President Jerry Gerber was to present Dick Straka with the past Presidents pin. Jerry gave his incoming speech laying out the goals for this upcoming year for the Western Reserve Division. Jerry also appointed chairmen to the

standing committees. Jerry gave a summary of the Educational programs that will be presented through out the next fiscal.

The Western Reserve Code Academy had a successful year. Contributions were a little over \$7000 this fiscal. Classes are becoming more advertised and repeat students are increasing. We are going to continue with the program expanding with OCILB Saturday Classes.

This has been one eventful year.

Joe Cenzori assumed the responsibilities for Tim McClintock on the Ohio Chapter as Interim Secretary / Treasurer. Tim took a position with the NFPA causing his quick departure from the Ohio Chapter.

Tim will be greatly missed.

This year the Electrical League of Ohio will host the Electro Expo at the IX Center on March 21st and 22nd. The Western Reserve will donate two three hour classes on Article 250.

Both classes will be good for BBS and OCILB Credits.

This next fiscal, the Western Reserve Division will have some exciting educational programs. Don't Miss them!!
