## **Secretaries Report**

This has been another successful year for the Western Reserve Division. Under Jerry Gerbers leadership we were able to successfully bring back committee chairs and a fine diverse educational program. The Western Reserve Division would like to thank Jerry Gerber for his leadership this past fiscal year and for his assistance in filling in for Joe Cenzori at the October Ohio Chapter meeting.

I would like to thank Dick Straka for his usual assistance this year. As you all know Dick is very instrumental on securing the Miller Road facility for our monthly meetings. Dick has also coordinated the last three years of our January luncheon here at Harry's steakhouse. He also keeps tabs on our plates, napkins for our monthly meetings food, and numerous other details.

The Western Reserve division code classes will be extended next year to help fulfill the needs of the last-minute contractors seeking credit hours for license renewal. Not only will we be putting on 30 hour code classes. We will also be putting on Saturday classes at five hours each Saturday. We will keep up with our low-cost per credit hour, and with the extended class times we will hope to gain more students. Our committee chairs will be asked to assist in the promotion of these classes. The more people working on the promotion will guarantee an increase in attendees.

At the December meeting, it was time to vote on the proposed slate of officers. The secretary did not receive any written nominations, and there were no nominations from the floor. The vote was closed and the Slate of officers as presented was unanimously voted in. The Slate of officers, as unanimously voted on and to be sworn in today are:

Tom Jarus	President
Kevin Kelly	First Vice President
Mark Rom	Second Vice President
Jeff Grassi	Inspector member
Dick Straka	Inspector member
Dave Bockrath	Associate member
Joe Cenzori	Secretary / Treasurer
