Secretaries Report

The Western Reserve Division's code classes held onto Saturdays in December brought in \$1310 to our educational fund. I would like to thank Don Bockrath and Mark ROM for all their hard work that they put into these classes.

On February 22, 2017 the electrical league of Ohio will be putting on a 2017 national electrical code updates. It will be held at the Holiday Inn Cleveland South at 6001 Rockside Rd., Independence, OH. The cost is \$80 which includes the code conference, tabletop viewing, and a meal. It will be an extra \$25 to the attendance fee for certificates for the OCI LB. They will have 2017 codebooks available for \$95. Anyone interested in attending can get a hold of Terri Hanna Wayne at 440-333-5040.

We will be having an Ohio chapter meeting in Columbus on Friday, January 27 and it will be attended by myself, Jerry Gerber, and Jeff Grassi.

Our education for tonight will be Timothy M Croushore and he will be discussing the 2017 NEC with respect to micro-grids DR's DERs and electrical systems and safety.

It's now that time a year when we have the annual swearing-in of officers.
