2nd Shelly Gardner

February

2011 Secretaries Report

Joe Cenzori gave an update on the status of the 2011 NEC adoption. The Western Reserve Taxes have been filed with the IRS and I had the audit performed and I submit them to the IO. They have been approved. I am completing the courses for this fiscal Code Classes. I took a survey from many past students to ask on the format they prefer in a class and I took their advice. I was a bit surprised on the feedback, so I constructed it the same way it was presented in the 2008 code cycle with a few improvements. It takes much more time to prepare all code pages with comments and side bar slides; however I will give the students what they want. (Slides) Allen is working on getting BBS approval for all meetings, please be patient. We will have small courses at Parma Town mall on Saturdays for anyone who needs CEUs that are short. Sometime In the next few months.

January 31, 2011 I attended the Ohio Chapter Meeting. The major topic of discussion was the 85th Annual Development Seminar and Meeting. It will be held at the Akron City Center Hotel in Akron, Ohio from May 9th through May 4th. Go to the Western Reserve web site click on the events tab and click on the box at the top for more info.

All parking is separate from the events cost. The City of Akron runs the attached Parking Garage. The cost is around \$5.95 a day extra. Those who attend the event will be able to get a pass that will let you come and go at that daily rate.
